# BIEMME

# ADHESIVE FELTS

# BIEMME

## Labels

- Each envelope is manufactured with BIEMME labels with EAN code, different in colour and size.
- It is possible to customize the labels with logo, colours and code of the customer.
- The minimum quantity for the print is of 50,000 labels.
- The cost depends on the number of colours, the print on one or both sides of the label and on their quantity.
- The cost of the print installation is charged to the customer, if the customer himself does not supply it.

## Packaging

- Standard packaging: bags containing 12/25 items and cardboard boxes containing 50/100/200 items (envelopes) and bags of 40/50 (strips).
- It is possible to get packaging and quantities according to the needs of the customer.

## Size

- The standard size and thickness presented in this catalogue can be customized according to the needs of the customer.
- The cost of the hollow punch needed for every size required is charged to the customer, if it is not part of our stock.
- The hollow punch will be property of the customer.

## Adhesives

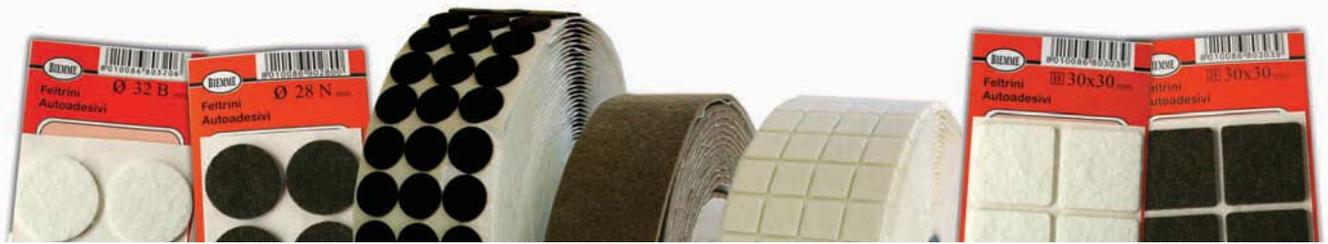

- We utilize a standard adhesive, fit for the majority of uses.
- It is possible to get different adhesives for special uses.

## Customized die cutting

- We die cut for the customer felts for sanitary tampons, cork, PVC, biadhesive, rubber, foam etc.
- Information: please contact BIEMME.
